

The diagram illustrates a network protocol stack. It consists of a top section enclosed in a dashed yellow border containing three stacked boxes: 'Payload' (white), 'TCP/UDP' (light green), and 'IP' (light blue). Below this dashed section is a light yellow box labeled 'wireguard'. Further down are three more stacked boxes: 'UDP' (light green), 'IP' (light blue), and 'Ethernet' (light purple).

Payload

TCP/UDP

IP

wireguard
